

## ***Bureau of Career and Technical Education (BCTE) and Perkins V Updates***

Lee Burket – Director, PDE’s Bureau of Career and Technical Education

Monique Burton – Division Manager, PDE’s Bureau of Career and Technical Education

An update of current BCTE initiatives and activities will be shared. Perkins V topics to be highlighted will include the Comprehensive Local Needs Assessment, special population student subgroups, professional development activities focused on nontraditional students, and changes to the state performance indicators.
