

## ***Strengthening Partnerships Between Sending Districts, CTCs, and IU 13 to Support CTE Students with Diverse Needs***

Gina Guatta – Supervisor of Special Education, Lancaster-Lebanon Intermediate Unit 13

Lancaster County Career and Technology Center, its sending school districts, and the Lancaster-Lebanon Intermediate Unit 13 have focused on improving their collaboration and communication practices so that they could better serve students with diverse needs. As part of this process, they delineated specific responsibilities among themselves and increased their transparency when working together.
