

## ***Multiple Pathways: Opportunities for Success***

Jill Stoltzfus – Career Readiness Coordinator, Chester County Technical High School  
Andrea Vaughn – Supervisor, Chester County Technical College High School

Pathways to both college and career after high school are paved with good intentions...and a lot of hard work! Learn about the process of writing a pre-apprenticeship agreements and dual enrollment agreements to create opportunities and benefits for your students. We will help you create the right fit for students and their next steps!
