

You ARE Part of the Perkins Team!

Cynthia Gross – CTE Advisor 2, Bureau of Career and Technical Education, Pennsylvania Department of Education

Supporting Special Populations = Supporting Perkins! Whether your position is funded by the Perkins grant or not – your work with career and technical education students impacts the Perkins performance indicators for your school. This will be an active discussion/sharing session about strategies you can use to improve the indicators. Come prepared to share what you do and learn about others' work with special population students.
