

Pennsylvania Association of Career and Technical Education

48th Annual PACTESP Mid-Winter Conference

March 10-11, 2025

Best Western Premier

The Central Hotel & Conference Center

800 East Park Drive | Harrisburg, PA 17111

PACTESP is focused on students who have special needs enrolled in career and technical education (CTE) programs. This includes the practice of providing specialized support, accommodations, and instruction to ensure equitable access to career-focused training and skill development.

The PACTESP Mid-Winter Conference is designed specifically for educators and staff who teach and support special education students in CTE programs. This conference will help you create a toolbox of resources to enhance instruction, engagement, and success for both special populations students and the educators who serve them.

This conference focuses on collaboration, professional development, and practical strategies to meet the evolving needs of special populations in CTE. Sessions cover a range of topics, including:

- Learning Support in CTE Programs
- Trauma and Effects on Education
- Perkins V Special Populations Categories
- Burnout Prevention and Strategies
- Mental Health and Social Emotional Learning
- Utilizing Technology for Individual Success
- Support for New Special Education Hires
- Transition Services for IEP Students
